

Who are Oxygen Home Loans?

Oxygen Home Loans has been around for over **20 years** and offers a wide range of home loans across a panel of reputable wholesale lenders. Oxygen home loans started as a broker business before branching into providing its own home loans. Its lending products focus on great features and solving pain points most brokers experience processing home loans.

Oxygen – 20 years of size and scale – in broking and lending

Our commitment

Broker focused

Oxygen Home Loans has its roots in mortgage broking services. Its products are available through the broker network, with a strong focus on minimising any channel conflict. You can be assured that your clients will remain your clients well into the future.

Innovative

We pride ourselves on our award winning technology platform to help brokers and customers get a quicker decision in a painless way.

Relationship

Great products and technology are only part of the solution. Oxygen Home Loans values relationships with brokers and customers alike.
